- The equipment/product(s) detailed above remains the property of Insite Technology Limited and Ultra Computers, a division of Insite Technology Ltd (ITL).
- The borrower is responsible for the security and insurance of the evaluation equipment/product(s).
- Any damage and/or loss of product either while in transit, or within the borrowers care, will be the responsibility of the borrower, and costs involved in repair or replacement will be invoiced and due for payment within thirty (30) days.
- The equipment/product(s) is to be kept at the above address for the duration of the loan period.
- The equipment/product(s) may not be loaned out to any third party(s) without the written consent of ITL.
- ITL is not responsible or liable for any damage caused to other equipment used in conjunction with this equipment
- Equipment or product(s) must be returned in an unmodified condition including the operating system.
- Loan equipment may be sealed. If the seal is broken on return, ITL reserve the right to charge you the full retail price for the product(s) .
- Should you wish to retain the product upon completion of the loan period (as stated above), then payment will be due within thirty (30) days. N.B. Warranty period for the equipment/product(s) begins from the date of invoice.
- If you do not wish to purchase, please return all goods listed above. Upon receipt of this product in complete and original condition (including packaging, manuals, software, etc) your invoice will be credited in full. The cost of returning all goods remains the responsibility of the borrower.
- Acceptance of product returned after the agreed loan period is at the sole discretion of ITL and may incur a restocking fee of 10% of the invoiced value.
- ITL reserves the right to demand the return of the loaned equipment/product(s) at any time.
- Unless prior agreement is made, goods will be invoiced within 7 days of due date against your PO number shown above. In addition, goods returned after the due date may incur daily charges.
- Regardless of condition, goods received without appropriate anti-static protection will NOT be accepted, and may be invoiced to you.
